## DEPOSIT CALCULATOR:

_____ Small Fryers at \$10 per bird	\$_____
_____ Large Fryers at \$10 per bird	\$_____
_____ Turkeys at \$10 per bird	\$_____

---

The balance of \$6.00 per pound for fryers (\$7.00 per pound for turkeys), minus your deposit, is due when you pick up your birds.

Sample Calculation: If your bird weighs 4 pounds the total will be \$24.00, less your \$10.00 deposit means you owe \$14.00 when you pick up your bird.

We will contact you one week before your birds are butchered. You will need to make arrangements to pick up your birds at the farm — sorry, we can't hold them for you more than 24 hours, and we can't deliver.
