

# Prepaid Gift Card Order Form

Purchasing prepaid gift cards helps us in the same way as purchasing a CSA share (by helping us pay for preseason farm expenses, like seeds and labor), but it's more flexible.

You can purchase just the things you want,  
on just the days you want them.

Use your gift card at a farmers market, or for orders placed ahead for farm pickup.

I understand that there is some risk involved in this farming endeavor. But I believe that Mike and Shelley will do their best to provide all they have promised and I agree to excuse them for any mishaps that might trip them up, including bad weather and insect pests.
